EMERGENCY PLAN

INTRODUCTION

The contents of this Emergency Plan provide guidance for the village of Harris and the Rural Municipality of Harris to respond to an emergency.

This Document will not prevent nor reduce the possibility of an emergency occurring. It will aid in providing a prompt and co-ordinated response, thereby reducing human suffering and loss or damage to property.

The public must be informed about the Emergency Plan and educated as to certain elements (e.g. Warning and Evacuation Procedures).

This Emergency Plan authorizes the taking of extra-ordinary action by Police, Fire and/or other Emergency Response Personnel for the safety and well-being of the community, where time is of critical importance.
